	Sky Command Account Activation
	from skycommand@onext.com.au 44837 PM to michaelg@patronscan.com.au 4-4637 PM
	Dear Group Administration , ,
	Welcome to SkyCommand by Inner Range, please follow the instructions below to activate your account.
Link	Click the link below to activate your account using our secure server: https://skycommand.com.au/skycommand/ActivateAccount?activate=1&token=a7kmFn12FtvFQ1yHA0_PA2
	If you did not sign up for a SkyCommand account with Inner Range you can safely ignore this email.
	If clicking the above link doesn't seem to work, you can copy and paste the link into your browser's address window, or retype it there. If you are still having difficulties accessing your account. Please contact support@innerange.com.
	Note: Inner Range will never e-mail you and ask you to disclose or verify your SkyCommand password, credit card, or banking account number. If you receive a suspicious e-mail with a link to update your account information, do not click on the linkinstead, report the e-mail to <u>abuse@innerange.com</u> for investigation.
	Cheers,
	The people at Inner Range

Your account will then be activated.

Log into SKY COMMAND with the correct email and password.

If you are using a smartphone to login you can download the app from the apple app store or google play store.

Once you have logged in you can control devices or sites. The number of sites you can view will depend on your access and how many sites are registered with SKY COMMAND. Select your site or device.

Your programmed commands and status will be displayed.

Control ACME Office		
Back to Device List Show Event History		
Name	Status	Actions
Comms Room Door	On	Lock Unlock
General Office Doors	Off	Lock Unlock
🕜 Lab Area	Disarmed	Arm Disarm
U Lab Door	On	Lock Unlock
Office Area	Disarmed	Arm Disarm
U Tanks Room Door	On	Lock

Select or click the required action or you can see the security panels recent events by selecting the "Show Event History"

Depending on your internet connection speed device status may take a few seconds to load

To go back to the site or device list select or click "Back to Device List"

To use any of the above functions you must have an Inner range IP STU and a valid monitoring account. Contact us for more information.
